Creative Greatness

A Dynamic Program for Natural Health and Ultimate Creativity

Leaders • Producers • Innovators

Visionaries • Artists • World-Changers

Life Energy for Cultural Leaders
And Creative Professionals

Jay Etzel 914-384-1288

The full, pure use of God-given abilities is one of the rarest and most beautiful experiences on earth. Even the world's most successful creative individuals intuitively understand that there is yet a higher realm of eventful achievement and depth of goodness that remains available to those who would pursue life's strongest creative course.

Creative Greatness is designed to galvanize the creative profession to exceed previous limits of excellence and to excel into a whole new dimension of abundance and elation.

This essential work is accomplished by unifying the creative elements of greatness into a whole, vital expression and intensifying that expression until it is consistent with the desired, exalted vision.

Creative Greatness is for those who:

- *Require exceptional levels of health and energy*
- *Sense that they have an outstanding calling placed on their lives*
- *Are on a vision quest*
- *Need to be primed for heroic activity, striking victory or remarkable comebacks*
- *Desire an ever greater manifestation of creative brilliance*
- *Desire a cleaner, stronger run at life*

Transforming a life is the most exciting endeavor on earth!

Mental, Spiritual and Emotional Aspects of Health and Creativity

Creative capacity is realized when the mind, soul and spirit are healthy and free to engage in the creative process. The power of creating from the light is naturally intoxicating.

This section unfolds the dynamics of inspiration and formulates a cohesive plan for constant creative stimulation.

- Pursue the purest and best
- Break through invisible barriers
- Experience the rebirth and fulfillment of great dreams
- Turn stress into positive energy
- Create a wellspring of motivation
- Understand the spiritual keys to health
- Identify and overcome psychological drains of creativity
- Develop bold new vision
- Increase emotional power through greater creative expression
- Use the shield of faith against negativity, temptation and falsehood
- Understand and overcome the warfare specifically associated with creative personalities
- Channel all forms of energy and drives into creative outflow
- Eliminate all negative influences and weak associations
- Understand how innate body intelligence adjusts to environmental pressures

Physical Health

Constant rejuvenation is the fountain of all creativity. Every cell in the body is packed with creative potential eagerly desiring full expression. The mind originates thought through organic structure and, therefore, requires the very best health regime in order to stay creatively fit.

This section finally establishes the exciting connection between health, energy and creativity.

Overall

- Prepare for a lifetime of outstanding health
- Develop an "Eden" lifestyle
- Utilize advanced energy concepts
- Break every form of addiction
- Reverse aging and prevent disease and sickness
- Create health from the inside out

Nutrition

- Establish the greatest, most delicious nutritional plan for the unusual demands of the highly creative
- Discover the effect of food on mood, will and creative abilities
- Learn what constitutes clean, energetic living foods
- De-mystify all fad diets, supplementation and food therapies

Fitness

- Create a dynamic fitness and workout plan that uniquely spurs on creative abilities while expertly matching your personality and professional demands
- Elite training available for the highly motivated

Environmental

- Safeguard against environmental pollution, toxicity and suspected cancer causing agents
